PURCHASING POLICY

Background

The goals of Northern College's purchasing policy are:

- to receive optimum value for College funds spent;
- to ensure that acquisitions align with the strategic direction of Northern College;
- to maximize the benefit to the communities served by Northern College;
- to ensure that all purchasing procedures established by Northern College are adhered to and are in accordance with Ministry policies; and
- to ensure that the resources of Northern College are used responsibly and ethically.

Policy

The President will only permit the College to engage in fair and ethical purchasing practices by ensuring purchas
