Internet Security Policy

Purpose

The purpose of this policy is to establish management direction, procedures, and requirements to ensure the appropriate protection of Northern College (NC) information and equipment by Internet connections.

Scope

This policy applies to all employees, contractors, consultants, temporaries, and other users at Northern College, including those users affiliated with third parties who access Northern College computer networks. Throughout this policy, the word "worker" will be used to collectively refer to all such individuals. The policy also applies to all computer and data communication systems owned by and/or administered by Northern College.

Specific policy

All information traveling over Northern College computer networks that has not been specifically identified as the property of other parties will be treated as though it is a Northern College corporate asset. It is the policy of Northern College to prohibit unauthorized access, disclosure, duplication, modification, diversion, destruction, loss, misuse, or theft of this information.

In addition, it is the policy of Northern College to protect information belonging to third
