The semester start date, Deferral and Withdrawal dates have been sent to you by email to your applicant email addresses. You can also access the information via [International Students – Northern College](#)

Please refer to the detailed information about the impact of online study (in or outside Canada) on your Post Graduate Work Permit (PGWP) eligibility via [Work in Canada after you graduate: Who can apply - Canada.ca](#)

Please note that the delivery format of each program in the College might be different and may require students to be on campus. Please reach out to your program coordinator after January 1st, 2024 for your course delivery format information if you have any questions.

When your visa is approved, you must upload a copy of your visa to the OCAS IAS portal immediately to be registered. A *COR (Confirmation of Registration) letter is your enrolment letter to get through the Canadian Border* when you arrive in Canada. Only students who received the Confirmation of Registration (COR) letter are permitted to travel to Canada for their studies. Please be advised that:

All college campuses will be closed during the upcoming holidays (December 22nd, 2023, to January 1st, 2024) and there will be no staff working during the holidays.

There will be no COR letter issued during holidays.

A COR letter will be sent to the “Applicant Email Address” of your OCAS IAS portal profile you created and submitted your application to Northern. If your agent created an email address for you and you do not have access to this email address yet, please contact your agents for access.

All the college's important messages and documents are sent to you via your applicant email address.

The first-semester course information is included in your 'Confirmation of Registration (COR) letter. All the course-related teaching information such as class schedules, course outlines, etc. will be uploaded to the college student portal at the beginning of the semester by the faculty. Students can log in to the college student portal for the information.

Program course overviews for a specific program can also be found on the Northern College website [Post-Secondary Programs – Northern College](#).

Class schedules are available in your student portal account closer to the start of the semester

: We have residences on campus in Timmins and Haileybury.
